Dear Jeff and Jim:

On behalf of all of us at the Alzheimer's Association Delaware Valley Chapter, we wish to express our deep appreciation to you and everyone at The Tucker Company for your phenomenal support of our organization.

Your remarkable donation of \$6,148.50, representing the proceeds from your golf outing on August 1 at Riverton Country Club, is a significant and impressive show of support for the local Alzheimer's community. Your extraordinary kindness in supporting our mission is inspiring and is indeed a poignant tribute to individuals who are coping with the devastation that is Alzheimer's disease.

The Alzheimer's Association Delaware Valley Chapter is privileged and honored to be the beneficiary of your company's annual golf outing at Riverton Country Club. We continue to be overwhelmed by the tremendous outpouring of support from The Tucker Company, which has raised over \$21,000 in six years for our charitable cause.

Renowned and respected for advancing research initiatives and providing quality educational programs and services, the Alzheimer's Association is uniquely positioned to fight this disease and to support caregivers in the future. Our lofty mission has now been fueled by your compassion and your heartfelt goodwill. Through your amazing generosity, you both have advanced our cause in the most extraordinary way.

Your support of our association will greatly help to enhance services to local residents in need. Over 76,000 residents in the seven counties of South Jersey alone are now struggling with Alzheimer's or a related dementia. Donations from your event will directly support the Alzheimer's Association Delaware Valley Chapter's vital mission to assist caregivers in need in our local communities.

All of us at the Alzheimer's Association wish to recognize and acknowledge you for your heartfelt commitment and exceptional dedication to our charitable cause. You both have been tremendous champions of our cause.

Thank you for your generosity, kindness and goodwill.

Sincerely,
